Curzon Ashton Football Club

Sponsorship & Hospitality

Sponsorship & Hospitality

Sponsorship and support from the local community is essential to the running of our Football Club and does not go unnoticed. As we prepare for another season in the Motorama National League, as Tameside's highest ranked team, we are again looking for your support.

We recognise lots of demands are placed on company finances but your support of Curzon Ashton will hugely benefit the community of Ashton under Lyne, Tameside and beyond; alongside giving Ashton a successful team that we can all be proud of. Get involved with the National Game Community Club of the Year.

Opportunities exist to support many aspects of the Club, including our Community Foundation and Junior teams and we have arranged a number of packages to suit all budgets.

All of our principal sponsors will be reflected within our match day programme as well as the Club website.
